Lyle's Lowdown

As we enter the final month of the school year, I want to thank our students, staff, and families for their hard work, dedication, and support throughout the year. June is a time to celebrate achievements, reflect on growth, and enjoy the many special activities that mark the end of another successful school year.

One highlights this month will be our Grade 9 Farewell as well as our annual **Doughnuts with Dad** event and floor hockey game on June 19th. We look forward to welcoming fathers and father figures to the school for this fun tradition and an opportunity to create lasting memories with our students.

I am proud of all that our students have accomplished and grateful for the strong partnership we share with our school community. Wishing everyone a wonderful month and a safe, restful summer ahead.

Sincerely,

Lyle Kennedy

Schuler Storm Student

JK/Kindergarten ~ Boyd McNeill

Boyd is a hardworking and thoughtful student who always takes the time to do his very best work. He comes to school each day with a positive attitude and a smile that brightens the classroom. Boyd encourages curiosity through the wonderful questions he asks and his eagerness to learn new things. He shows care and dedication in all that he does and is a great example to those around him. Boyd has grown so much this year and will do an amazing job as he moves into Grade 1.

Grade 1/2 ~ Luke Herrmann

The recipient of the Schuler Storm Award from the Grade 1/2 classroom for the month of May is Luke! Luke is receiving this award for the incredible growth and increased confidence he has shown in his learning and as a person. Every day, he is stepping up, believing in himself, and letting his true personality shine through. It is wonderful to watch him tackle new challenges with extra confidence and pride in what he can do. WOW CAT, Luke!

Grade 3/4 ~ Macey Bader

June's Schuler Storm Award blooms brightly for Macey! 🌸 Macey approaches challenges with a wonderful growth mindset, showing determination and courage when learning something new. She listens carefully to feedback and uses it to grow stronger and more confident each day. Her coachable attitude, positive spirit, and willingness to keep trying, make her an excellent role model in our Grade 3/4 classroom. Like a flower reaching toward the sunshine, Macey continues to grow through hard work, perseverance, and kindness. We are so proud to celebrate her as this month's Schuler Storm recipient!

Grade 5/6 ~ Aryiah Brubaker-Hanson

Congratulations to Aryiah, our Schuler Storm Student for May! Aryiah consistently works hard to complete her assignments and always gives her best effort. She is willing to take on challenging tasks with a positive attitude and shows great determination when learning new things. We are proud of her dedication and perseverance. Keep up the great work, Aryiah!

Grade 7,8,9 ~ Cassidy Campbell

This month's Schuler Storm Award goes to someone, who honestly could have received this honour every single month this year. She is a dedicated student, consistently working hard, going above and beyond to make sure she completes all of her work. Not only does she complete her work, she strives to get the absolute highest grade possible. This is a student who not only strives academically but as an athlete in our school. She competes in volleyball, badminton and track and field. She also is a member of our Student Council. She is a fine role model for the younger students who attend Schuler, and truly demonstrates the character we hope our students and children would have. Congratulations Cassidy, and thank you for being an excellent student and an even better person all year long.

You all recieved an email in February regarding registering your child/ren for next year. Please do this as soon as possible.

Thank you.

NEW *****PEANUT ALLERGY*****

We have **students** with a peanut allergy this year.

What that means for all of us is that we need to make sure there is no food sharing between kids and no items containing peanuts/peanut butter is given out.

Other students are fine to bring items containing peanuts, and no extra sanitizing is required. Items that say 'may contain peanuts' are fine.
