Lindsay's Lowdown!

Happy New Year everyone. It seems like just 365 days ago I was wishing you and yours all the best for a great year. I certainly hope 2023 brings you and yours health and happiness. I hope everyone had a wonderful holiday and that you were all able to spend quality time with family and friends.

Since this is our first newsletter since Christmas, we must acknowledge how much the Missoula Children's Theatre Production of Hansel and Gretel was enjoyed by everyone. Our students received rave reviews!

There may just be some budding stars in our midst. If you didn't get a chance to see it, we have a link we can share if you would like. Just reach out and we can send it your way.

Here at school, we will be back to our daily routines and students will be working towards their academic goals. We encourage you to ask your children about their plans to grow their learning.

With the new year, our faculty will also focus on goals. Our staff is excited to take a deeper dive into literacy, looking at new research and new teaching strategies so that when our children leave Schuler they are equipped for success.

At home, you can continue to support our reading focus by reading for enjoyment with your children.

As always, I encourage you to reach out to me if you ever have any questions, concerns, or celebrations you would like to talk about. Connecting with all of you is vitally important to our school community.

On behalf of the staff at Schuler, we wish you and your families all the best in 2023.

Sincerely,

Lisa Lindsay

Schuler Storm Award

Kindergarten ~ Kevin Coté

This month's Schuler Storm award from the ECS room is Kevin. Kevin comes to school each day excited and ready to learn. Kevin loves leading the class in calendar and sharing during our morning community circle! Kevin is a joy to have in our classroom.

Grade 1/2 ~ Emitt McNeill

The recipient of the Schuler Storm Award from the grade 1&2 classroom for the month of December is Emitt McNeill! Emitt has earned this award for his hard work and growth mindset. He works hard in the classroom and at home to improve himself academically. Emitt enjoys being challenged by higher levelled reading and tricky math questions. Keep up the great work Emitt!

Grade 3/4 ~ Hoyt Cavan

The December Schuler Storm winner in grades 3 and 4 has a positive attitude towards learning and making corrections to his work. He is willing to share materials, ideas and encourages others. He enjoys working with a partner and cooperates positively. Our Schuler Storm winner this month is **Hoyt Cavan**.

Grade 5/6 ~ Kinley Cavan

This month's student of the month for the Grade 5-6 class has been working hard to achieve her academic goals. Not only does she study for her tests, but she is also working hard on neatness and organization. Perhaps just as important as her academic focus is the kindness she has shown to younger students when they need a friend. Congratulations to Kinley who has been an exemplary citizen at Schuler School.

Grade 7-9 ~ Tyler Coté

This month the recipient of the Schuler Storm Award from the grade 7-9 room is Tyler Coté! Tyler is receiving this award for his strong focus he put into school, in December. While also participating in the school play, Tyler was able to raise his Math and Science grades. I am so proud of your hard work. Keep it up Tyler!

Hot Lunch Schedule

Welcome to a New School Year!

With the return last year of regular hot lunches the Schuler School Council is going to return to the previous set up for Hot Lunches. Each Month a few parents will be responsible for organizing a Hot Lunch for the school. Your group can decide if it will be a brought in Hot Lunch from a restaurant or if your team would like to prepare the lunch for the students. You will also be responsible for coordinating a date with Janice and providing her with the details in ample time so she can set it up on the School Cash Online payment, as well as distribute the information to the students. We usually aim for at least a week's notice. Each month will have a 'seasoned' parent to help lead the group. It is your responsibility to find a replacement person if you are unable to fulfill your month. There is a binder available at the office for you to review previous hot lunches not catered and an idea of costs. If you have any questions, please reach out to a member of the Schuler School Council. Please check your email for a reminder at the beginning of the assigned month with your lead contact.
Thank you!
