

**Schuler School Council
General Meeting
9am @ Schuler School
December 9th, 2025**

Attendance: Jackie H, Steph G, Amie T, Danielle M, Mr. Kennedy, Trisha Drescher

Call to order: 9:04am

1. Adoption of Agenda

Motion: Steph G motioned to approve the agenda as presented
2nd Danielle M

2. Adoption of Minutes

Motion: Danielle M motioned to approve minutes as circulated
2nd Amie T

3. Staff Member Highlight: Trisha Drescher

Trisha is the Program Manager through Recovery Alberta (part of the 4 pillars in the AHS healthcare system) whom oversees Ms. Cody at Schuler school in the “health” class.

There are 4 staff under her supervision that teach in 21 different schools. They follow a group style information session under a specific curriculum for a more social/emotional targeted learning. She shared some handouts and lots of information to support the program and is very passionate about what they are teaching.

A few additional options that came up that they could support within our specific school/community could be “Hygiene programming” and “digital online/safety”. We will be looking into those options and are looking forward to the opportunities that this program brings.

The handouts will be available for anybody to take a look at the next meeting.

4. Trustees Report: Janel Vossler

N/A

5. Principals Report

a. Assurance Surveys/Achievement Test results

Mr. Kennedy said they aren’t getting many of these reports filled out and sent in. He encourages people to complete these surveys so that we know what our schools strengths/weaknesses are.

b. Bell work

The “bell work” is basically to encourage kids to be prompt to their desks and ready for work once the bell goes. Utilizing the time that they have available is important so they are able to complete the projects in the class time given. Using the white boards to have work listed and ready to start right away is something they are trying to focus on.

c. Drowning Ford Proposal

Staff meeting after school today to make a list of items they would like to request funding for from DFG. Mr. Kennedy said that he will send the letter in for request once completed. We will add the letter to our records for future reference and documentation.

d. Christmas activity week

The staff have lots of activities planned for the final week before the Christmas break. The school will not be doing a Christmas Concert, but rather a Christmas Supper provided to families and community members made by students and staff instead. Supper will be on December 18th and 5pm. Be sure to RSVP to Janice.

e. Skating program for school

The Schuler community would once again like to support our school by providing skating lessons. They will do lessons 1 day/week vs 2 from last year. K-9 will be able to benefit from the generous community.

f. Basketball Update

We scraped enough kids together to make a girls and boys 'C' team this season. We are happy to watch them grow. The girls might be hosting a tournament, but boys will not.

g. Schuler Storm Center

The school has been putting together a separate workspace (The Schuler Storm Center) to assist with students that require additional assistance. This support space will be utilized regularly to help support all of our students.

h. CTF Options for January

Western Tractor - bussed to Western Tractor each week (Gr 7-8 only because of space)

Grade 5-6 will likely do foods during this time

Acoustic Guitars (received from another school not using them currently) will be the rotating option 2x per week for 8 weeks led by Mr. C.

6. Business Arising from the Minutes

N/A

7. New Business

N/A

8. Next regular meeting: January 27th @ 3pm

9. Adjournment: 10:16am
