Lest we forget
REMEMBRANCE DAY
N O V E M B E R 1 1

Lyle's Lowdown

Dear Schuler School Families,

As we move through this season, I am reminded once again of the incredible strength and spirit that define our school community. Schuler School is more than just a place of learning, it's a family where students, staff, and parents work together to support one another and to help every child grow.

As we return to our classrooms following the recent teacher strike, I want to take a moment to express my gratitude to our families for their patience, understanding, and support. The past few weeks have reminded us how important our schools are to the heart of our communities. Our teachers are excited to be back doing what they love most; teaching, connecting with students, and helping them grow both academically and personally.

In Prairie Rose School Division, we strive to *Connect, Create, Communicate, Care, Contribute, and Challenge*. These core principles I believe are more important than ever and need to be demonstrated every day in our classrooms, hallways, and playground. Whether its students supporting each other in their learning, teachers finding new and creative ways to engage young minds, or families cheering from the sidelines at basketball games, these moments remind us what it means to belong to a caring rural school community.

As we approach Remembrance Day, we'll also take time to reflect on the courage and sacrifice of those who came before us, and to encourage our students to understand the importance of peace, gratitude, and service.

Thank you for your continued support of Schuler School. Together, we're Kindling Hearts, Igniting Minds, and Forging Bright Futures for our students.

Warm regards,
Lyle Kennedy

NEW ***PEANUT ALLERGY*******

We have a new student with a peanut allergy this year. What that means for all of us is that we need to make sure there is no food sharing between kids and no items containing peanuts/peanut butter is given out. Other students are fine to bring items containing peanuts, and no extra sanitizing is required. Items that say 'may contain peanuts' are fine.

STUDENT ABSENCES

In an effort to streamline the process for reporting student absences, we have an online form where parents can excuse their child's absence. A confirmation of the absence will be emailed to parents once the form is submitted.

There are **two ways** for parents to access the online reporting feature:

1. The school website under the Useful Links found at the top right corner waffle menu (the waffle menu is the nine dots - look for Report an Absence)
2. By adding the link to the home screen of a cell phone. Using the Safari browser on an Apple phone, or the Google browser on an Android, copy the following link (https://prrdweb.ca1.qualtrics.com/jfe/form/SV_0JMwNIsmWPfUIUO). At the bottom of the phone screen there will be a box with an arrow pointing upward. Click on that option and scroll down until

you see "Add to Home Screen". Click Add. A new icon will be added to your phone screen. To report an absence, click this button and complete the form.

Halloween

Students may wear their Halloween costumes to school in the morning. Here is what our day looks like:

- 8:50 - 1:35 Regular Classes
- 1:35 - 1:50 Recess & Costumes for those who don't want to wear them all day
- 1:50 - 2:00 Costume Parade
- 2:00 - 3:00 Homeroom Class Halloween Activities

If your child requires help with their costume before the costume parade, you may assist following the 1:35 PM bell.

Parents & community members are welcome to join us for the costume parade as well.
