Lindsay's Lowdown!

We hope that everyone's new year has started off well. As you might already know, we are busy with learning here at Schuler School.

Our focus remains to cultivate a positive climate and create the best learning environment possible for your children. Everything we do at Schuler School is designed to help students learn in all areas and be successful well beyond their time here.

We are excited to host the Schuler School Learning Exhibition on June 16, 2023. Please stay tuned for more details. At this point, our students are learning many aspects of what it takes to install an interactive space in the front of our school. This space will combine many sensory elements that are available for our children and members of our community to enjoy a calm, quiet space. Currently, our students are researching and studying the types of plants, trees, and shrubs that can thrive in our region. We are also researching what helps define a quiet, calm interactive space and why it is important to our wellness. As well, we are working with a welder on a potential sculpture that represents our school and contributes aesthetically to our entire community. Students will be excited to share their learning journeys with you and hopefully, you too, can learn a thing or two from our students. See below for the 'WHY'S behind the Exhibition of Learning'.

We are fortunate to have your children in our building each and every day. Thank you for allowing us to play a role in their development and make an impact on their lives. As always, please reach out if you ever have a concern, a question, or just want to chat about our amazing school!

Sincerely,

Lisa Lindsay

The 'WHY'S behind an Exhibition of Learning'.

Why do it?

Exhibitions promote...

High Quality Work for Authentic Audiences

When students know they will share their work with an audience beyond the classroom, they are motivated to make it high quality. The best exhibitions showcase work that has required students to think critically, problem solve, and revise through multiple drafts. Exhibitions are a great way to share student writing, art work, performances, debates, experiments, engineering projects, mock trials, podcasts, or videos.

Community Pride & Transparency

Exhibitions put students center stage as they describe the process and products of their learning. Like a sports event or performance, they bring families and community members together to celebrate the collective work of a class, a team, a school. But with exhibitions, the community is taking pride in students' academic learning.

Equity

Exhibitions set the expectation that all students, not just a select group, are capable of producing high-quality work and will share that work with people beyond their classroom. They motivate all students to do their best, so they can stand proudly beside their work.

School fees are past due. If you have any questions or concerns regarding the fees, please call Lisa or Janice at the school.

I highly encourage all parents to use the link below for SchoolCash Online to pay for their school fees as well as any upcoming expenses.

If your child is going to be absent at any time, please call the school at 403-839-3732. There is an answering service available 24 hours per day.

We will be following the same protocol as the end of last year if you are picking up or dropping off your child during the school day. Our doors are locked so please ring the doorbell or call to let us know you are here.

We will continue to offer our hot lunches online only now as we did last year. **In order to access the hot lunch YOU MUST SIGN UP FOR SCHOOLCASH ONLINE.** I cannot set this up on my end for you, YOU must do it. Please select the link below to do this and select 'REGISTER'. After this is done you will receive emails each time something is available to be purchased. If you have questions or need help feel free to give me a call.

Schuler Storm Award

Kindergarten ~ Daniel Peters

All I can say is what a guy! He really is such a happy guy. We loving having him in our classroom. He is excited about learning and everything to do with school, especially when it comes to snack and recess. Daniel is such a great friend to everyone in our room we are so lucky to have him in our Kindergarten class.

Grade 1/2 ~ Elinor Kirschenman

The recipient of the February Schuler Storm Award from the grade 1 and 2 classroom is Elinor Kirschenman. This month (and every month!) Elinor is kind, helpful, and a hard worker. She is always excited to learn and try new things. Elinor is a valuable member of our classroom and school community.

Grade 3/4 ~

In grade three and four we have many strong academic students. Our student this month is strong academically and strong athletically. He does everything to the best of his ability. His work is done neatly and carefully, even his drawings. He does his best in sports and activities, even when they aren't his favorite. Our Schuler Storm winner is Tyson McNeill.

Grade 5/6 ~ Kalder Perry

This month's student of the month for the grade 5-6 class has shown a lot of growth! He is working hard towards his academic goals and his personal goals and always has a fun story to share with the class. His teachers are proud of how hard he is working this month.

Keep it up! We are proud of you Kalder!

Grade 7-9 ~ Frank Peters

This month the recipient of the Schuler Storm Award from the Grade 7-9 room is Frank Peters! I admire Frank's consistent focus, humble attitude and his willingness to help others. We love having you at school Frank! Keep up the great work!

Skating Information

Skating is in full swing. We would welcome any parents who are willing to come and help tie laces for the K-4's. Thanks to Blaine Herman and his crew for ensuring our students have this great opportunity. Please remember to send a helmet with your child (note that bike helmets are no longer acceptable).

To help us cover the cost of getting our school skates sharpened for the next season, **all student who borrow skates will be asked to pay a \$5.00 user fee.** This fee can be paid through School Cash On-Line.

9:00- 3:30 PM

THANK YOU

- a big bouquet to the Schuler Curling Club; Sean, Brad and Tom for helping us run these bonspiels for us as well as Robert and Ang for always providing us with such fantastic food to enjoy.
- a huge thanks to Gord at MH Dairy Queen. He has been sponsoring our bonspiels for as long as I can remember. We really appreciate it.
- a big thanks to our Schuler Ladies Curling Club & the BT Grazing Association for their donations towards our bonspiels.
- Thanks to all the parents who come and help tie laces for skating.

Student Council

Dear Parents, Guardians, and Faculty.

The Schuler School Student Council Association has planned a few things for the month of February.

January 31st- Valentine's day Candy Gram sale starts

February 9th- 100 Days of School Celebration

February 10th- Candy Gram Sale ends

February 16th- Gr. 5-9 Curling Funspiel

First off, starting January 31st- February 10th, Student Council will be selling Candy Grams for Valentines Day. The price of ONE Candy Gram will be \$1.00. Along with the purchase you have the option of choosing either a Valentine's Chocolate or Love Hearts.

Following that, February 9th is 100 Days. We will be celebrating having spent 100 days at school this year so far. The fun part about this day is that you get to dress as a 100 year old! Isn't that exciting! Furthermore, on February 16th, Schuler School will be hosting a Curling Funspiel for grades 5-9. This event will be held all day! During this time the Student Council will also be having bingo games throughout the day. Each bingo card will be \$0.50(Fifty Cents).

There will also be a raffle going on. You can buy tickets for \$1.00 each. The K-4 students will also be coming to the rink to watch the kids play and hangout. Along with that the kitchen will be open all day! So if you wish you can bring money to buy your own food from the rink.

Lastly, there is going to be a Little Caesars Pizza fundraiser that the Schuler School Student Council Association will be organizing. This begins on February 13 until March 3rd. Forms will be sent home soon for you to be able to order your pizza. The money raised from this fundraiser will go towards a popcorn maker for the school which will be used in MANY future events.

Sincerely,

Kayeeshia (on behalf of the Schuler School Student Council Association)

Hot Lunch Schedule

Welcome to a New School Year!

With the return last year of regular hot lunches the Schuler School Council is going to return to the previous set up for Hot Lunches. Each Month a few parents will be responsible for organizing a Hot Lunch for the school. Your group can decide if it will be a brought in Hot Lunch from a restaurant or if your team would like to prepare the lunch for the students. You will also be responsible for coordinating a date with Janice and providing her with the details in ample time so she can set it up on the School Cash Online payment, as well as distribute the information to the students. We usually aim for at least a week's notice. Each month will have a 'seasoned' parent to help lead the group. It is your responsibility to find a replacement person if you are unable to fulfill your month. There is a binder available at the office for you to review previous hot lunches not catered and an idea of costs. If you have any questions, please reach out to a member of the Schuler School Council. Please check your email for a reminder at the beginning of the assigned month with your lead contact.
Thank you!

Dollahoost (Whooping Cough)

Dollahoost (Whooping Cough) is in Southern Alberta.

Whooping Cough is a serious sickness that causes a very bad cough which can last a long time, especially in young children.

Whooping Cough can lead to more serious health problems, like lung infections. Whooping Cough spreads very easily from coughing or sneezing.

Children can get very sick, and may need to go to the hospital. In 2012 a baby in Lethbridge died from Whooping Cough.

Call your doctor if you think you or your children have Whooping Cough. You may need to keep your children home from school and church.

The best way to keep your children healthy is to make sure they get their regular needles. Please call a Public Health Office for an appointment.

Children's Allied Health

Supporting children, youth and families in Southern Alberta communities.

Welcome to Children's Allied Health Services

Services Provided:

Audiology (Hearing):

An Audiologist assesses hearing ability, identifies hearing loss, provides recommendations, and works with the client & family to improve communication.

Occupational Therapy:

An Occupational therapist (OT) evaluates and treats a child's ability to function in activities of daily living, such as self-care skills (dressing, feeding, sleeping and toileting), productivity and leisure.

Physiotherapy:

A Physiotherapist (PT) works with children to improve flexibility, strength, coordination, balance, endurance, gross motor skills (i.e. rolling, sitting, walking, jumping, running, etc.) and mobility through play and exercise. PT can also address head shape & neck tightness (torticollis) concerns in babies.

Home Based Development:

Provides early developmental screening and treatment for children with developmental delays, disabilities and/or premature births.

Behavioral Services: (Birth to 7)

A family based early intervention program, designed to provide behavioral strategies to children, and support parents to manage behaviours occurring in the home.

Speech Language Pathology:

A Speech Language Pathologist (SLP) assesses and treats communication difficulties such as speech sounds & language (prior to school entry), voice and fluency as well as feeding and swallowing concerns.

Social Work:

Provides information and support to access resources, plans transitions, supports a diagnosis query & addresses financial or other barriers to service.

Additional Services:

Children and youth may also receive:

- Mobility & positioning equipment
- Seating Services
- Augmentative & Alternative Communication (AAC)
- Splinting, Orthosis, Serial Casting
- Dietitian supports
- Referral to the Developmental & Behavioral Diagnostic Clinic

Family Centered - Parents and professionals work closely together to understand the strengths and needs of each child and family. The family helps to determine goals, activities, and is encouraged to participate in the child's treatment program.

Eligibility - Infants & children are eligible for all services before school entry.
New eligibility for children enrolled in school: Episodes of care for a new functional need are provided by AHS therapists for eligible services when children/ youth experience significant changes due to injury, surgery, medical intervention/illness or underlying/newly identified medical or neurodevelopmental condition.

Prairie Rose Public Schools, together with Southland Transportation are looking for bus drivers! Offering flexible part time hours, approximately two hours in the morning and two hours in the afternoon. Spare drivers are also needed.
