Merry Christmas

and Happy New Year

Lyle's Lowdown

As we enter the month of December, I want to extend my heartfelt appreciation to our students, staff, and families for the dedication, kindness, and spirit of community that continue to define Schuler School. This time of year is always a reminder of how fortunate we are to be part of a

school where people truly care about one another and uphold the Prairie Rose commitments to Connect, Create, Communicate, Care, Contribute, and Challenge.

December is a month filled with celebration, reflection, and gratitude. Our students have been working incredibly hard, and their growth—both academically and socially—is evident every day. I am continually inspired by the way our staff fosters curiosity, creativity, and a sense of belonging in every classroom. Together, we strive to kindle hearts, ignite minds, and forge futures.

This season also provides us with a meaningful opportunity to focus on caring for one another. Whether it's supporting school initiatives, lending a hand to a neighbour, or simply spreading kindness in our hallways, these actions strengthen the fabric of our rural community. Thank you to all families for your continued partnership and the many ways you support learning at home and at school.

As we look ahead to the new year, I am excited for the continued learning, teamwork, and community connections that await us. On behalf of everyone at Schuler School, I wish you a joyful, peaceful, and safe holiday season. Enjoy the break with family and friends, and we look forward to welcoming our students back in January, refreshed and ready for the year ahead.

Warmest wishes,

Lyle Kennedy

NEW *****PEANUT ALLERGY*****

We have a new student with a peanut allergy this year. What that means for all of us is that we need to make sure there is no food sharing between kids and no items containing peanuts/peanut butter is given out. Other students are fine to bring items containing peanuts, and no extra sanitizing is required. Items that say 'may contain peanuts' are fine.

STUDENT ABSENCES

In an effort to streamline the process for reporting student absences, we have an online form where parents can excuse their child's absence. A confirmation of the absence will be emailed to parents once the form is submitted.

There are **two ways** for parents to access the online reporting feature:

1. The school website under the Useful Links found at the top right corner waffle menu (the waffle menu is the nine dots - look for Report an Absence)
2. By adding the link to the home screen of a cell phone. Using the Safari browser on an Apple phone, or the Google browser on an Android, copy the following link (https://prrdweb.ca1.qualtrics.com/jfe/form/SV_0JMwNlsmWPfUIUQ). At the bottom of the phone screen there will be a box with an arrow pointing upward. Click on that option and scroll down until you see "Add to Home Screen". Click Add. A new icon will be added to your phone screen. To report an absence, click this button and complete the form.

Sports Update

Basketball season is off to a roaring start both the boys and girls team had their first games of the season. They both had very competitive games against Crescent Heights at our home gym. Great job to both our basketball teams. We are looking forward to a successful season.
